

## Vision

Our vision is for Kidz Camp to evolve into a program where parents select an individualized program that is uniquely designed for their child including sports, music lessons, activities, and educational intervention.

## Mission

The Mission of Kidz Camp at Heritage Hills is **Developing the Whole Child and Empowering Kids Through Play.**

## Objectives

**Physical development** through organized games, sports training with certified coaches, and good old fashioned play in a supervised environment.

**Social development** through leadership skills, team building, and appropriate peer interactions.

**Educational support** through creative activities integrating the areas of science, writing, and reading.
